Lucy Liu

Angelina Jolie

Charlize Theron

Anne Hathaway

We think it's cool that **Angelina Jolie** has, like, about a baker's dozen's worth of kids now and is on a mission to singlehandedly save the world (and without using her lips!). Still, we're totally *psyched* to see the Angie we *really lust* (the one who wore a vial of blood and played a lesbian supermodel) returning to summer's *biggest* movie screens this month in *Wanted*. How about, *Most Wanted*? After "studying" the **brand-new bikini pix** we have of her in this issue, we find ourselves *fiendin'* over **Britney Spears**! As far as MILFs go, **Halle Berry**—there is none *hotter!*—Lilshame

FRESH FLESH

Summer's here and the time is right—for ogling pretty teats! **Skin** brings the babes to your lap; after all, our job is catering to your *throb*! From the new Bond Girl to Adriana Lima—they're hot, fresh and *fleshy*!

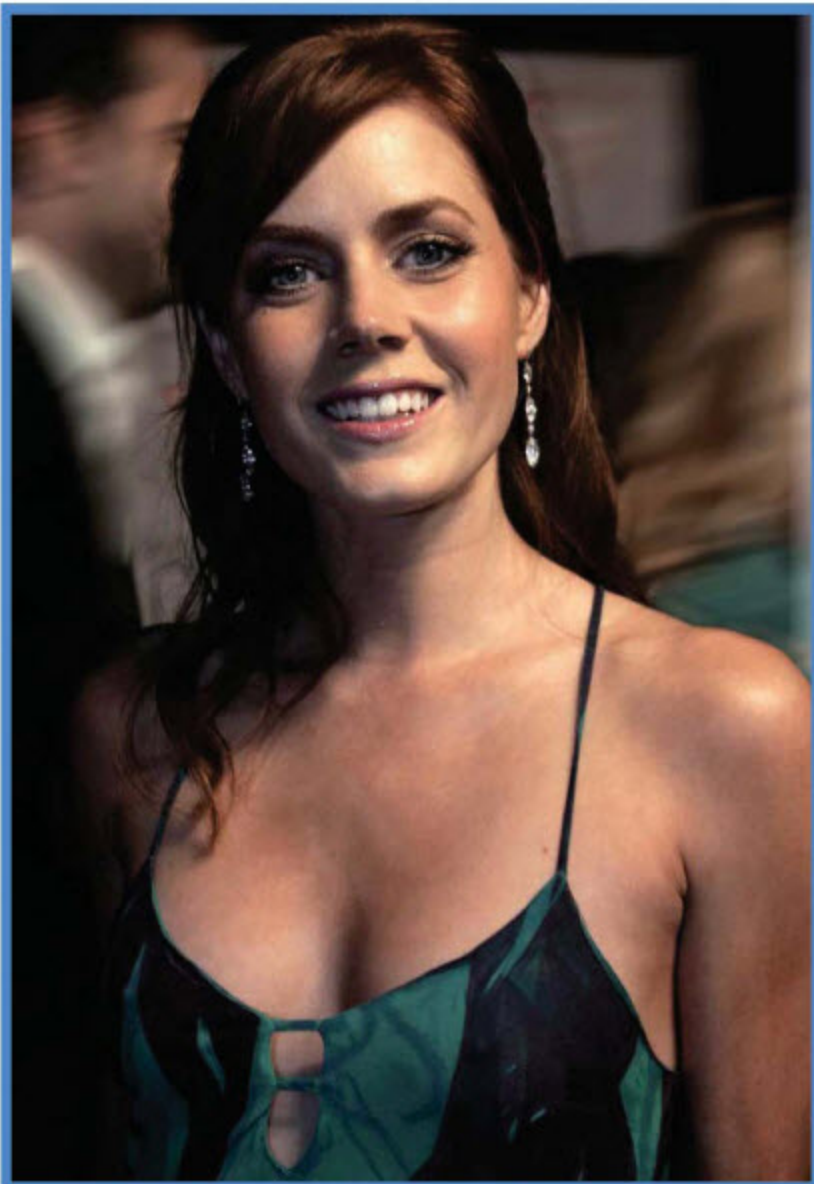

OLGA KURYLENKO

NEXT BIG BOMBSHELL!: One ogle of her regal curves, gorgeous face and elegant eroticism and you probably find it hard to believe that *eyeful* Olga grew up in poverty, sharing a Soviet flat packed with her family. Lucky for us, this ravishing Russkie went from wearing rags full of holes (*Hot*, not?) to modeling, and then movies. Next up for this knockout? The *hugely* coveted "Bond Girl" role opposite Daniel Craig in this November's *Quantum of Solace*. *Hitman* (2007, spread), features "The Big O" as Nika, an enslaved *pro ho*. This flick made boners prick up in aching awe of Olga, especially when she asks, "What color underwear am I wearing?"

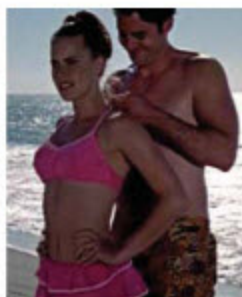

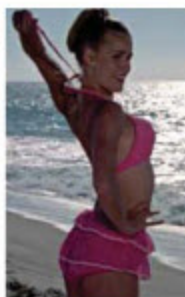

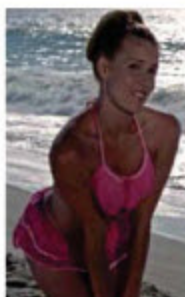

HOTTEST "OLGA" EVER: Modeling launched curvy Kurylenko into cinema stardom, where she learned French (in only 6 months!) for *L'Annulaire*. Above, even programmed hitman Agent 47 can't keep his *tool cool* when Olga writhes upon it!

AMY ADAMS

AMY'S "NEEDS": "For me, the most romantic thing a man can do is give me foot rubs. I will take a really intense foot rub over a romantic dinner any day."

SEXY SWEETHEART!: We dropped trou for this Academy Award-nominated *doll* when she *bumped* with Denise Richards & Kirsten Dunst in *Drop Dead Gorgeous*, and her *gorgeous glutes* got our *coffin-nails* off! In *Psycho Beach Party* (2000), Amy rides a wave of *wankable wahoo*, makin' us wanna pitch a big, 'ol tent *pole-deep* in her *sleazin'-bag* & play beach blanket *BANGO!* In *Miss Pettigrew Lives for a Day* (2008), she *sex-plays* her lacy panties away!

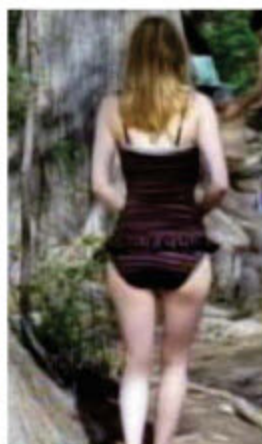

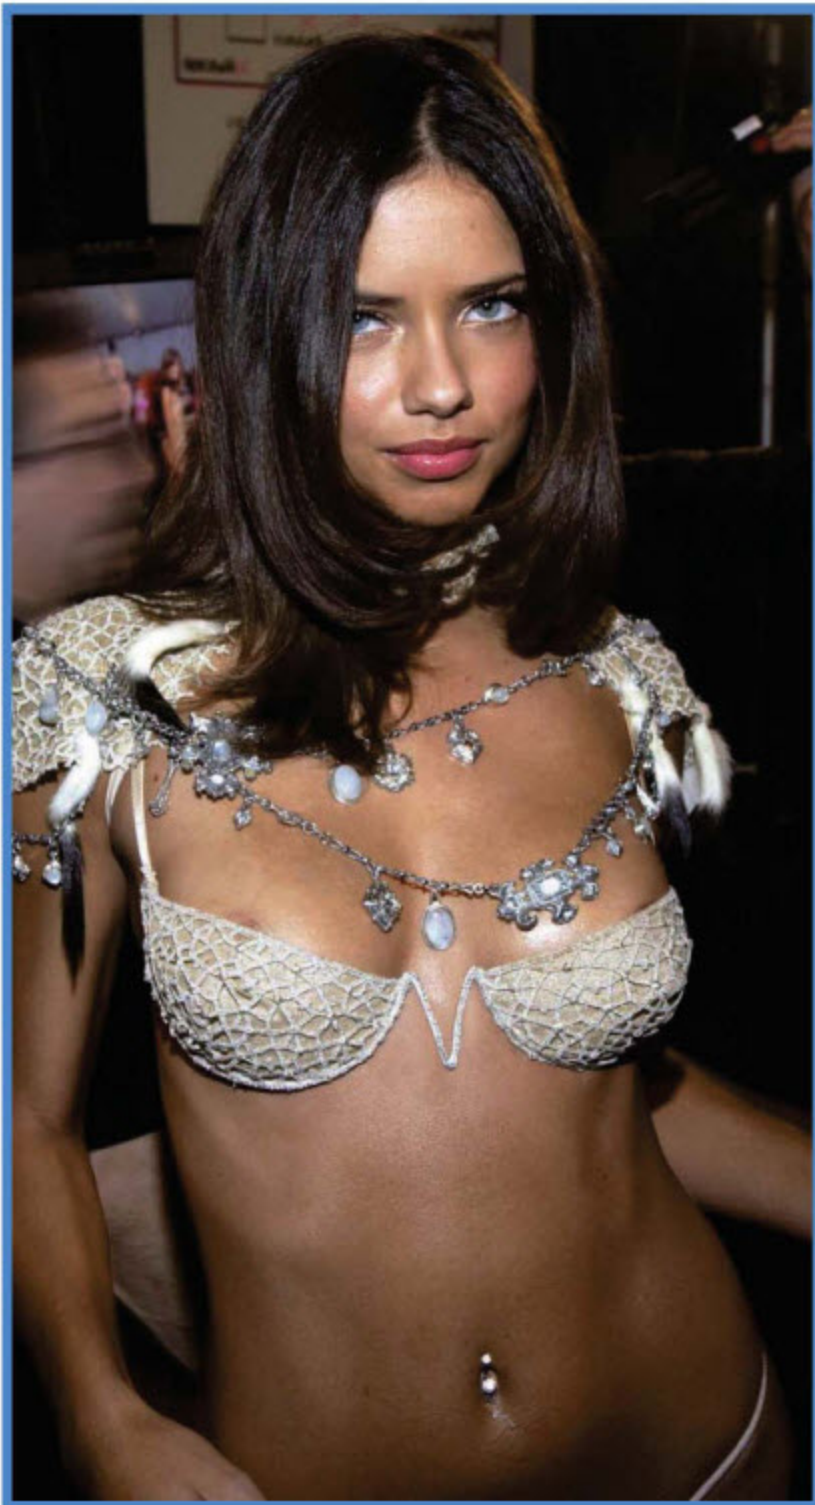

JESS WEIXLER

FOXY FACT: Jess taught *herself* about S-E-X! She was placed in the wrong class, but took her Sex Ed book home...and did *all* the "assignments!" Talk about taking matters into your *own* hands!

"J" IS FOR JAWS: We'd *love* to take a big, *juicy* bite outta this plucky pretty from Kentucky! Her lil' *lumpkins* got our *sluggers* all *slick* from her *breast-out* role in **SKIN**-sation *Teeth* (2007). Her toothy *trim* takes inches off unsuspecting digglers in the flick, but we find her *vagina dentata* oddly *hotta*, leavin' us hankerin' for more *hungry hairpie*! We'd brush that bush *and* floss her fanny! *Juicy-box* Jess is gonna keep us *long in the tooth* for times to *cum*!

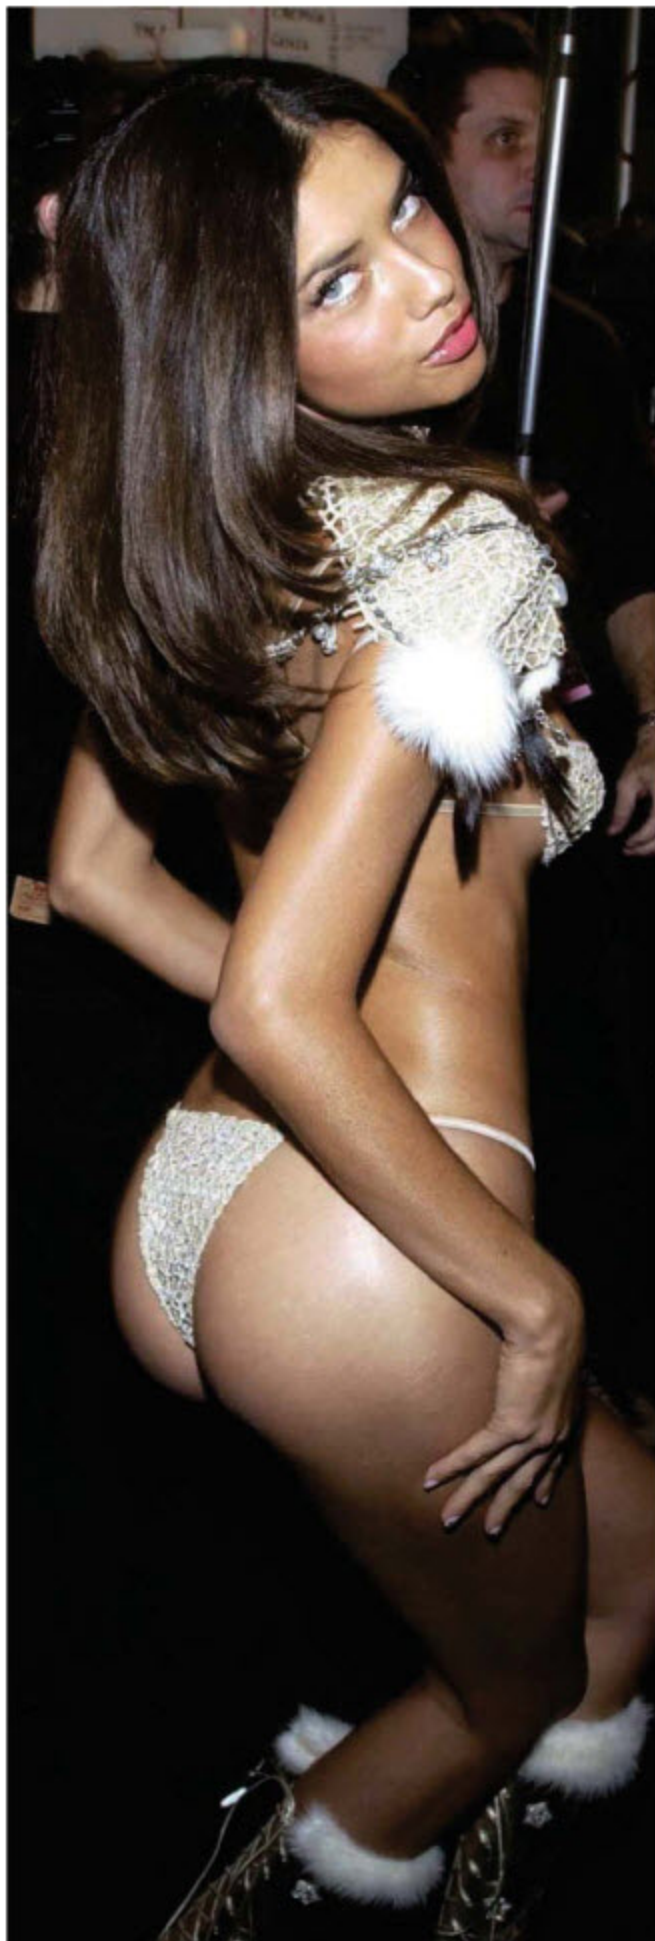

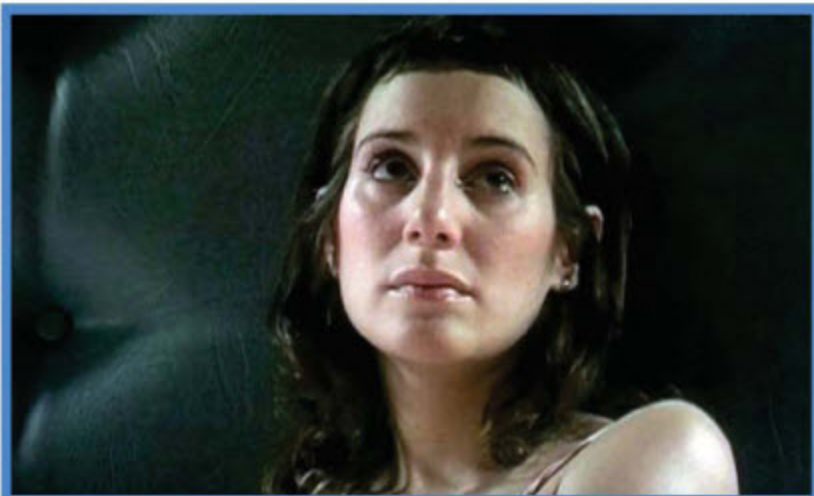

ADRIANA LIMA

FROM HER POUTY LIPS: "Fashion is about good energy. It's about feelings. That's what I have to give the people—good energy and good feelings."

BRAZIL'S MOST BANGIN' BOOTY: This exotic beauty, of native-Brazilian, African-Brazilian, Portuguese, French and Caribbean heritage, no doubt caught your eye when you were in the mall with your lady and she made you shop with/for her in Victoria's Secret. As one of the lingerie line's "Angels," Adriana touts flesh-fame as a "Victoria's Secret's Perfect 10." By the way—*West Side Story* is the fave flick of this hot honey with the *backside glory*!

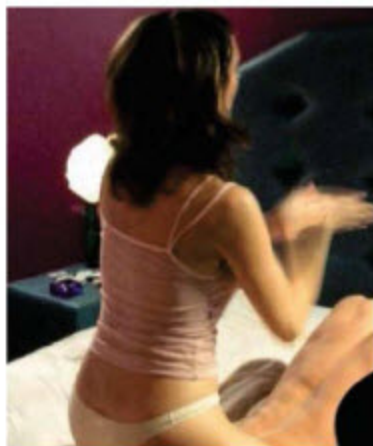

LIMA GET A PIECE OF DAT ASS!: Lima's Catholic and attends church every Sunday...and she's a *virgin*. After 'fessin' this to the U.S. version of *GQ*, the mag named her "The World's Most Voluptuous Virgin." Would-be deflowerers, get in line....

BLANCA LEWIN

BORN: August 7, 1974, Santiago de Chile, Chile

CHILEAN CON CARNE!: As the star of "orgasmathon" *En la cama* (2005, spread), Blanca revels in wet-'n'-wild casual sex as a *f**k-happy firebox*, and will have you moaning her name while you whip yourself up a *man-geyser*! The film's title is Spanish for "in bed"—which, aside from some *bathtub ballin'*, is *exclusively* where the action takes place...and by action, we are, of course, referring to *satisfaction-action*! A *telenovela* (Spanish soap opera) star in her native Chile, *En la Cama* finds this *cream-catcher* spreading her *sexual-ceviche* for *cojones-deep* coitus...with a *perfect stranger*!

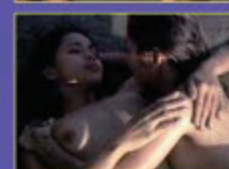

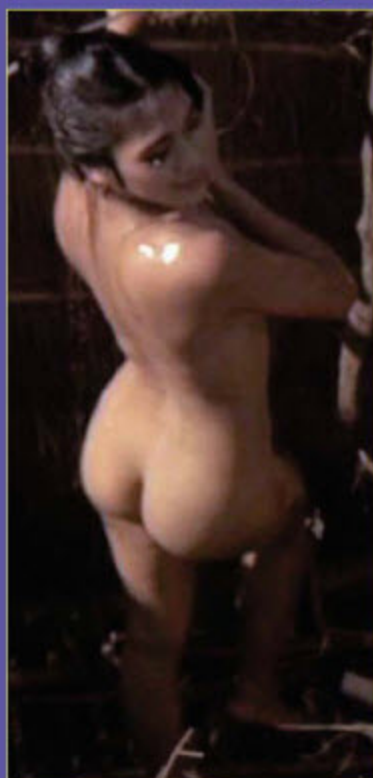

BLANCA'S HONKAS!: "Working through a packet of condoms" is how *Variety* describes the manner in which the "one-night romance" between Daniela (Lewin) and Bruno *lay-splay-plays* out. *Variety* also calls the NC-17 sex "rumpy-pumpy." Nice!

SILIP

Silip, a.k.a. *Daughters of Eve* (1985) is a sex-packed shocksploitation find thanks to Filipina lovelies Maria Isabel Lopez & Sarsi Emmanuelle. Beautifully made, yet disturbing, get ready for hours of raw, carnal island lust!

Feel your *long-pork* get *longer* as Lopez & Emmanuelle, playing sexy sisters Tonya & Selda, bathe nude and *bounce 'em* on idyllic beaches!

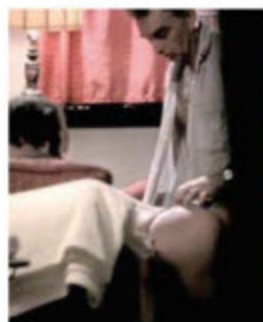

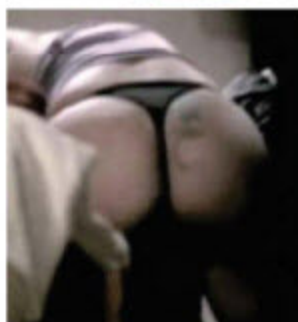

HALLE BERRY

BERRY WISE: "Don't kiss me on the first date. I hate that. You don't want to blow your wad on the first shot, right?"

HALLE-OORAH!: You know the old saying: The barer the Berry, the more *juice* we produce...or something like that. She beautifully "busted" out of her bikini top for Bond *boners*, emulating Ursula Andress' iconic scene & makin' dudes shake their martinis and their custard-chuckers in *Die Another Day* (2002, right, & opposite, top left). Recently, the superstar shook what her mama gave her (playing a mama!), adjusting too-teeny bikini bottoms on her *lotta-ass-for-yo-wienie* in *Things We Lost in the Fire* (2007, top & below).

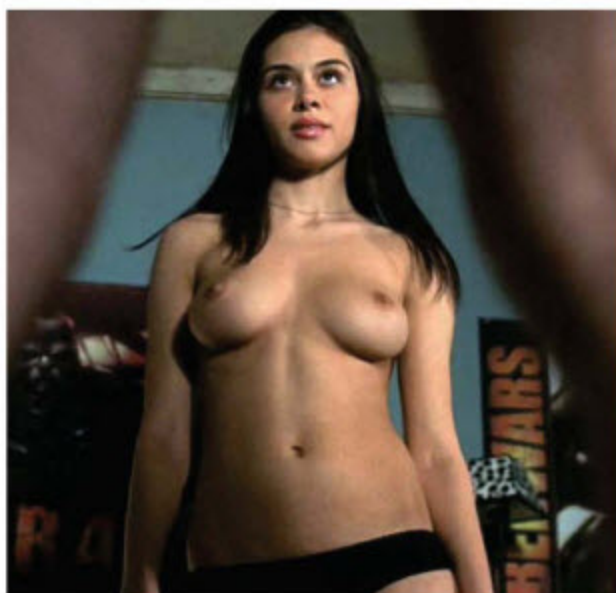

BERRY, THE BILLY-BOBBER: *Swordfish* (2001, top right) made us dive for our remote's slow-mo button for a freeze on Berry's Pointer Sisters! Then we got a monster case of blue-balls peepin' her *Rural Route* ruttin' in *Monster's Ball* (2001, above).

ELENA TECUTA

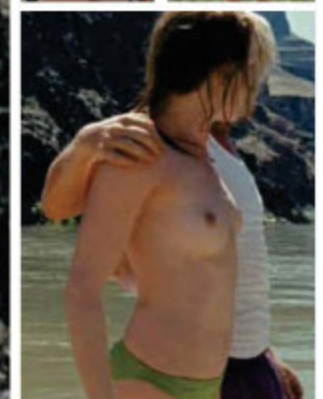

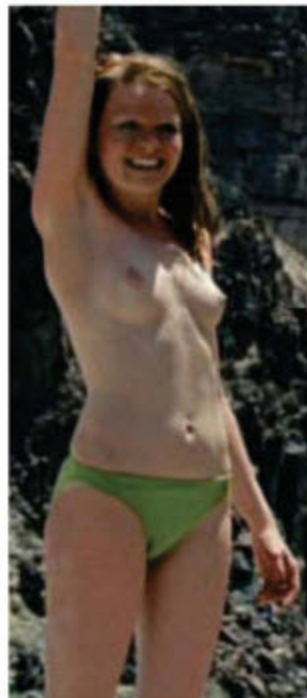

"TECUTA" FOR SCHOOL! *Van Wilder 2: The Rise of Taj* (2006, all) has all the *flesh-fare* you expect from National Lampoon's latest *man-chise*: topless coeds, college *she*-nanigans, booze and more booze, bodily function-related humor, raunchy mishaps and even *raunchier* happenings, topless coeds—wait! We already mentioned those, but, then again—this movie packs enough T&A in its runtime to merit mentioning "the moisties" twice! Meanwhile, Taj Mahal Badalandabad leaves Coolidge College behind for Camford University in England. In Hindi slang, Taj's last name means "land where people have big penises." Tecuta will *sooo* give *you* one!

SIGNE EGHOLM OLSEN

WILD ABOUT WIENERS!: *Into the Wild* (2007, all), a moving tribute to the late Chris McCandless, would be a dire experience overall, were it not for Emile Hirsch's (as McCandless, a.k.a. Alexander Supertramp) Colorado River *reveal* with Signe. She plays a cutie/kook on va-cay in the river canyon with her equally whacked-out dude, backpacking like only the Danes can. Emile as McCandless/Supertramp spies topless Signe swimming, pale titties afloat, as he kayaks past her campsite. Her beau invites the intrepid trekker for wienies, and Supertramp downs dogs while diggin' Signe's Scandinavian *love-strawberries*! Girl gone wild, indeed!

MARISA MILLER

MARISA'S NECTAR: In high school, Marisa was a star volleyballer. During her junior year, thanks to her position as outside hitter, her team never lost a game. "Nectar," by the way, is volleyball jargon for a perfect set...which Marisa also sports in *bouncy tits* and *firm-yet-fleshy asscheeks*!

SPORTY NICE! This all-American blonde got her big break when famed photographer Mario Testino took her pix while she was surfing with friends at Manhattan Beach in Cali. Truly the quintessential "California girl" for the "Aughts," she keeps her curves comely by volleyballin'...and *ballin'*—or so we wet-dream!

SPILL FOR MILLER!: Askmen.com ranks her #9 as Most Desirable Woman of 2008—steps up from her 2007 *pole*-position as #12. Puddle of Mudd got to have her in their video for “Spin You Around,” leaving us grinnin’—with a puddle of c**k-crud.

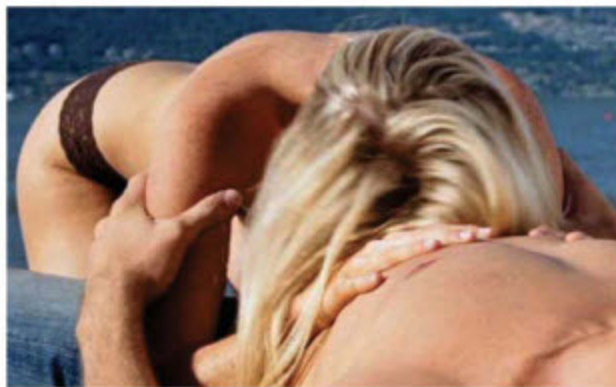

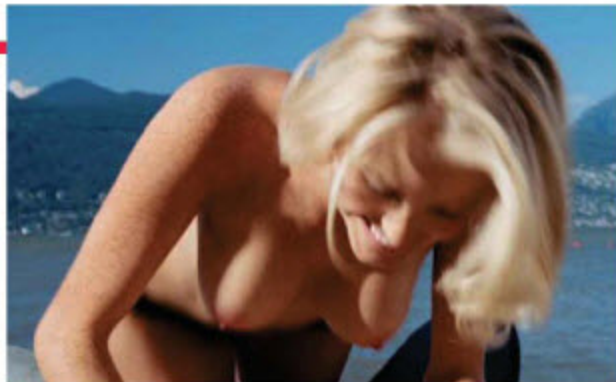

CHELAN SIMMONS

GET ONLINE & ADD HER AS A "FRIEND":

myspace.com/chelansimmons

A CANUCK WE'D LOVE TO—YOU KNOW!: Though he had probs nailing Jessica Alba in *Good Luck Chuck*, we think Chuck should take his "lucky charms" in hand and thank them from the bottom of his ballsack for letting him *beach-bang* with chill Chelan! *Final Destination 3* (2006, below) makes us think that maybe there is no "final" destination, after all, and features Chelan and her *moist melons* tawny from the tanning bed. FYI: If we get to pick our "final destination," we'll opt for a funky faceplant between her thighs!

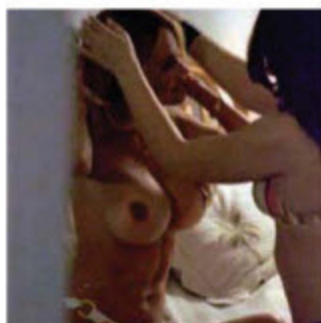

SOME CHESTY CHELAN FOR YOUR TESTES!: Her character, Ashley Freund, survived (don't laugh) a deadly rollercoaster ride in *Destination 3*, so Chelan lives on to frolic topless, as Carol, in *Good Luck Chuck* (2007, this page and opposite, right).

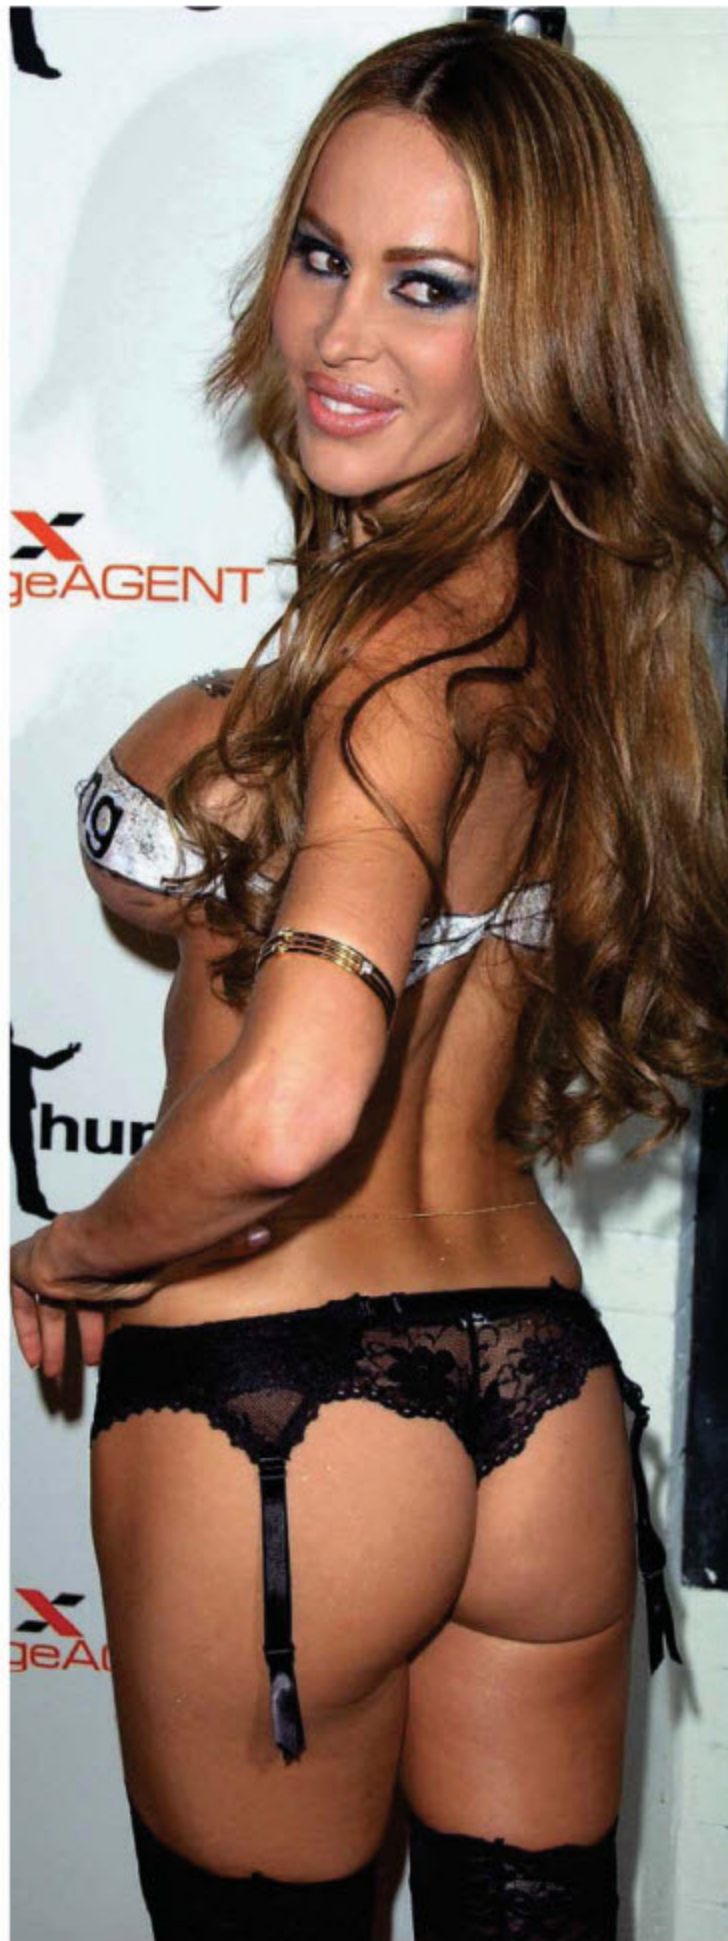

TABITHA TAYLOR

HER OFFICIAL SITE: tabitha-taylor.com

TIT TITANESS: Inspired by the *pneumatic* glories of her idol, Marilyn Monroe, Tabitha's taken the "blonde bombshell" image a few steps (and quite a few *bra cups*) further, with her peroxide mane, hourglass figure, lippy smile, *bounce-a-licious bumper*...and *colossal c**k-cuddlers*! *Loaded* (2008, this page, right and below) tells the story of a rich kid's downward spiral into an outta-control existence of sex, drugs and violence. Will he make it out alive? Who the f**k cares? Just have *very top-heavy* "Tabi" keep those *massive meat loaves* out so we can...unload a *creamy load*!

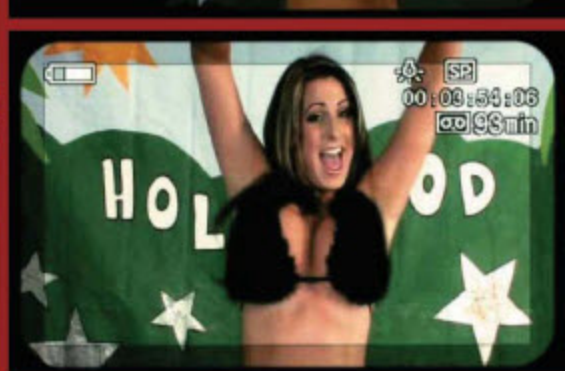

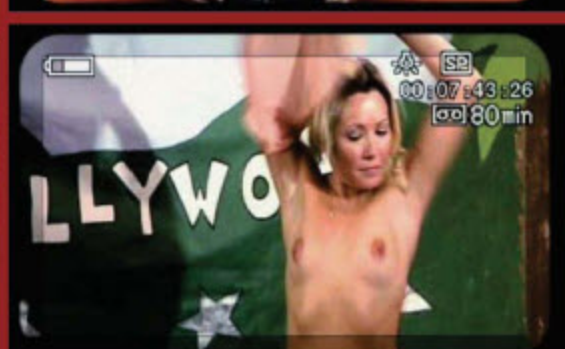

TAYLOR-MADE TO GIT LAID!: Fashion-wise, the word "tasteful" may *not* be a part of Tabitha's vocabulary. Regardless, we'd gladly pay for even the littlest lick of her *happy juice*. One question remains: Does she have a taste for *tapioca toothpaste*?

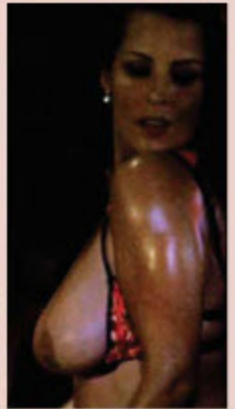

SKINSIDE

CATTLE CALL

Where can ya *diddle-dabble* in *she-nanigans* & coax more casting-couch cooze than in a casting agency? A *fake* casting agency! Hence, the locale for *Cattle Call* (2006), where horny guys lie...to get laid!

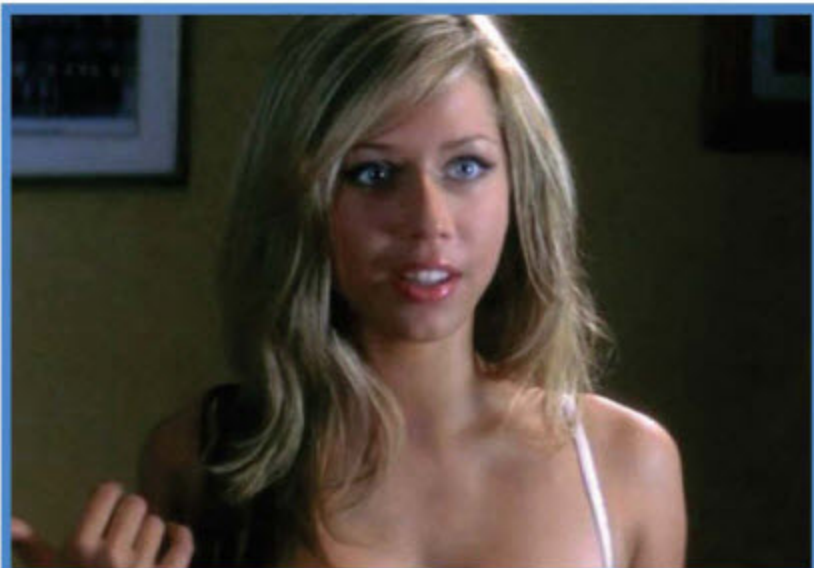

Former *Baywatch* bouncy-babe Nicole Eggert puts the T&A in "audition" (not necessarily in that order, of course) as a wannabe starlet named: Laurel Canyon.

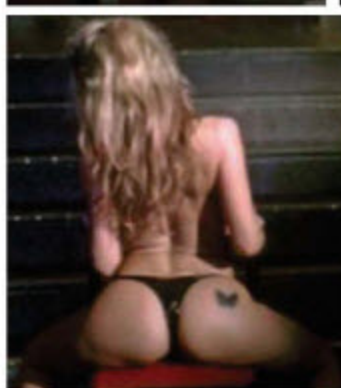

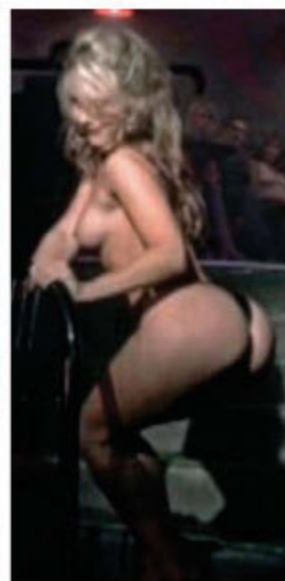

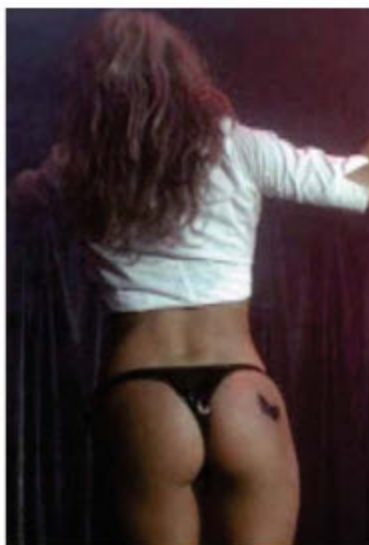

The 2 biggest & most succulent reasons to buy National Lampoon's Cattle Call should be ogle-obvious (this page, top right).

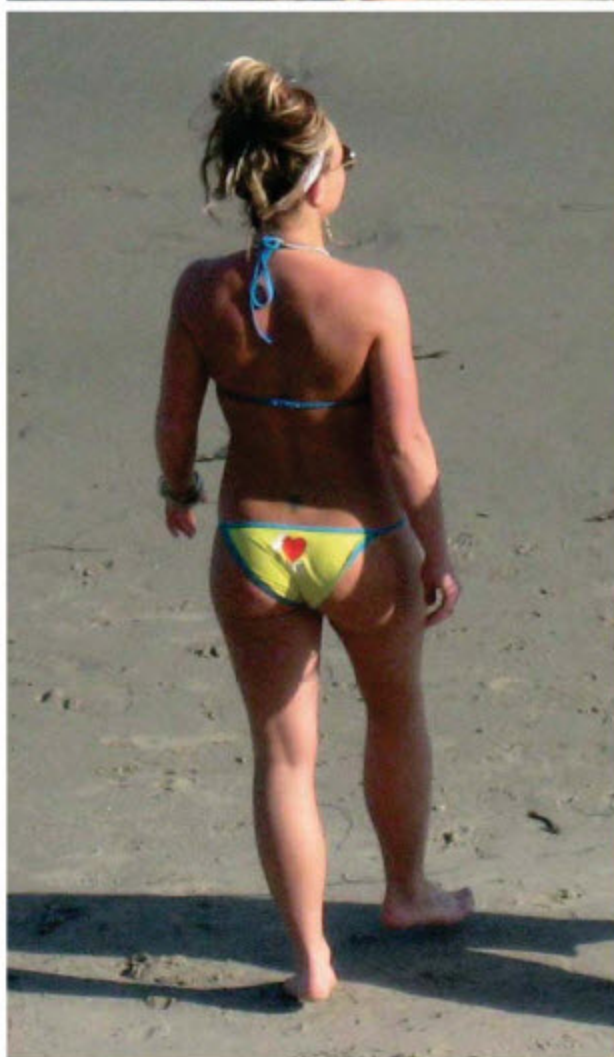

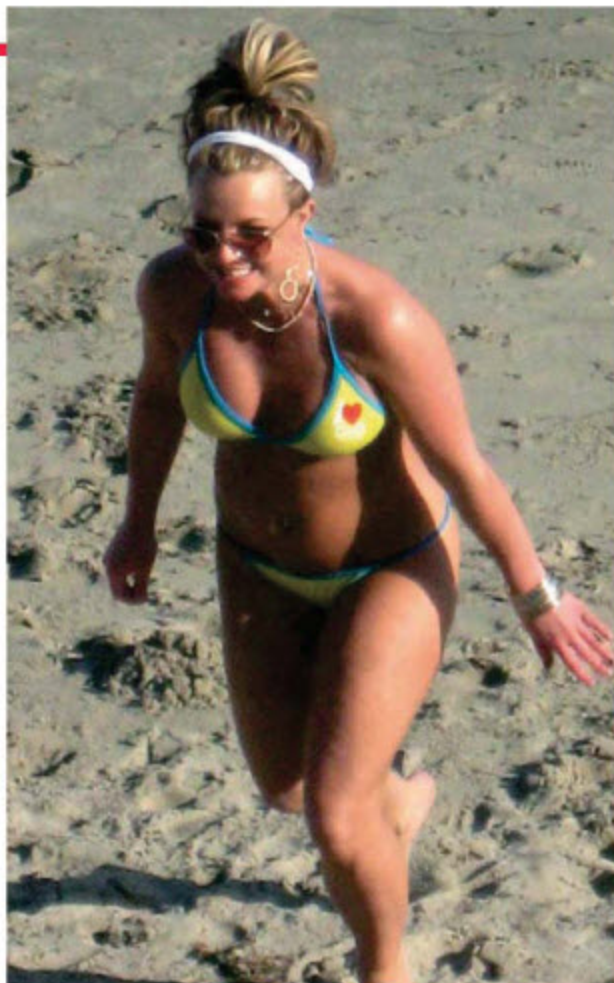

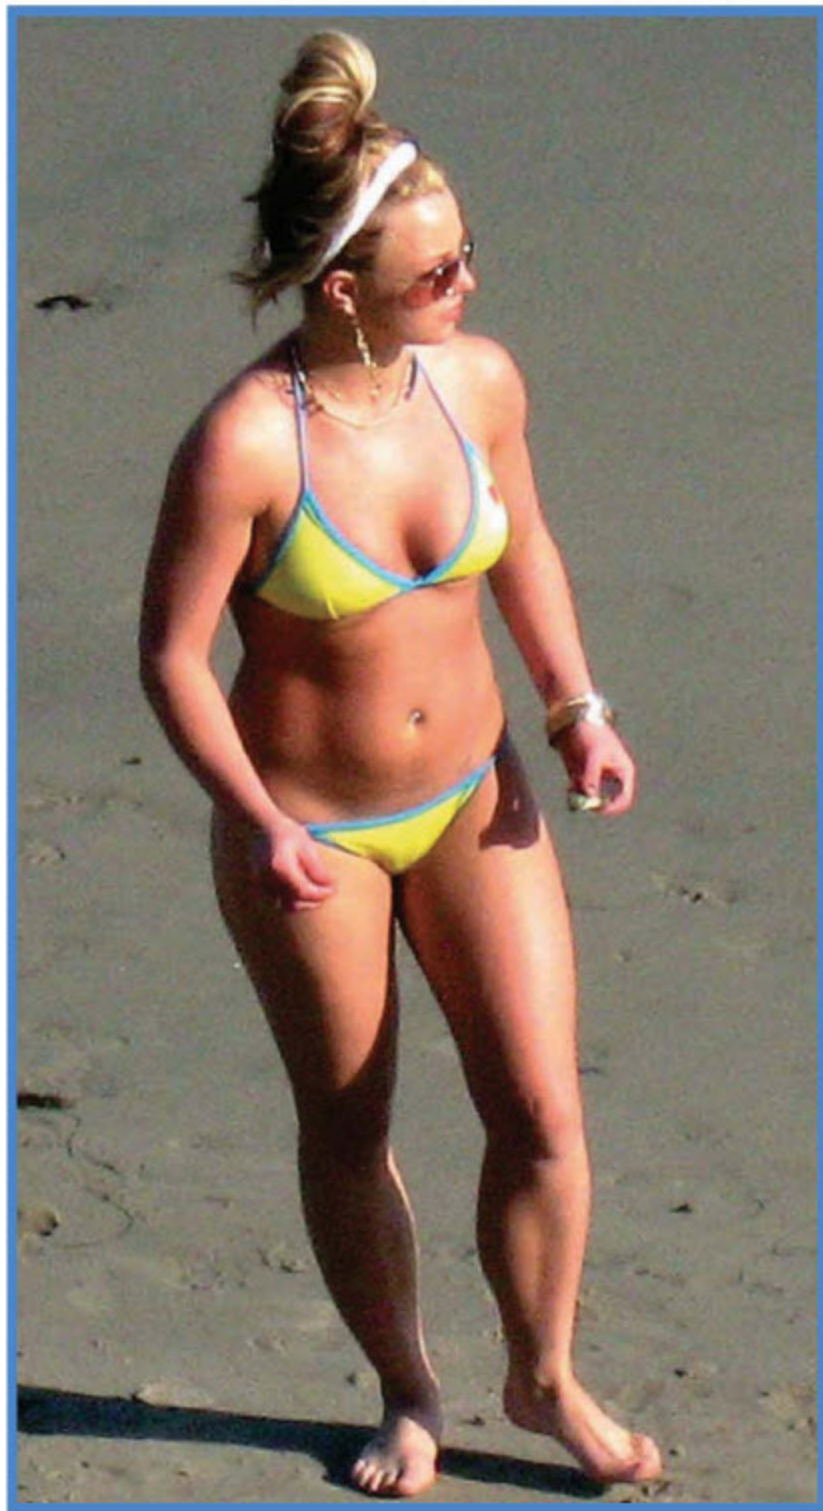

ALGINA LIPSKIS

FROM VODKA...TO VICARS!: If you're a Siberian stripper and you saw things the Russian mob didn't want you to see—what do you do? According to *Natasha* (2006, spread), you swap identities with your dead cousin (she was headed to the UK as an exchange student, anyway) and fly off to the English countryside, where sexual hijinks of every *perv*-mutation immediately heat up all around you! As Anna, posing as Natasha, *awesome-assed* Algina delivers the post-Stalin-style *suck-ulence* in this preposterous, yet lusty sex romp, arousing the *Id*-interests of even her host family's till-Natasha, closeted lesbian daughter! Even Putin would put it in!

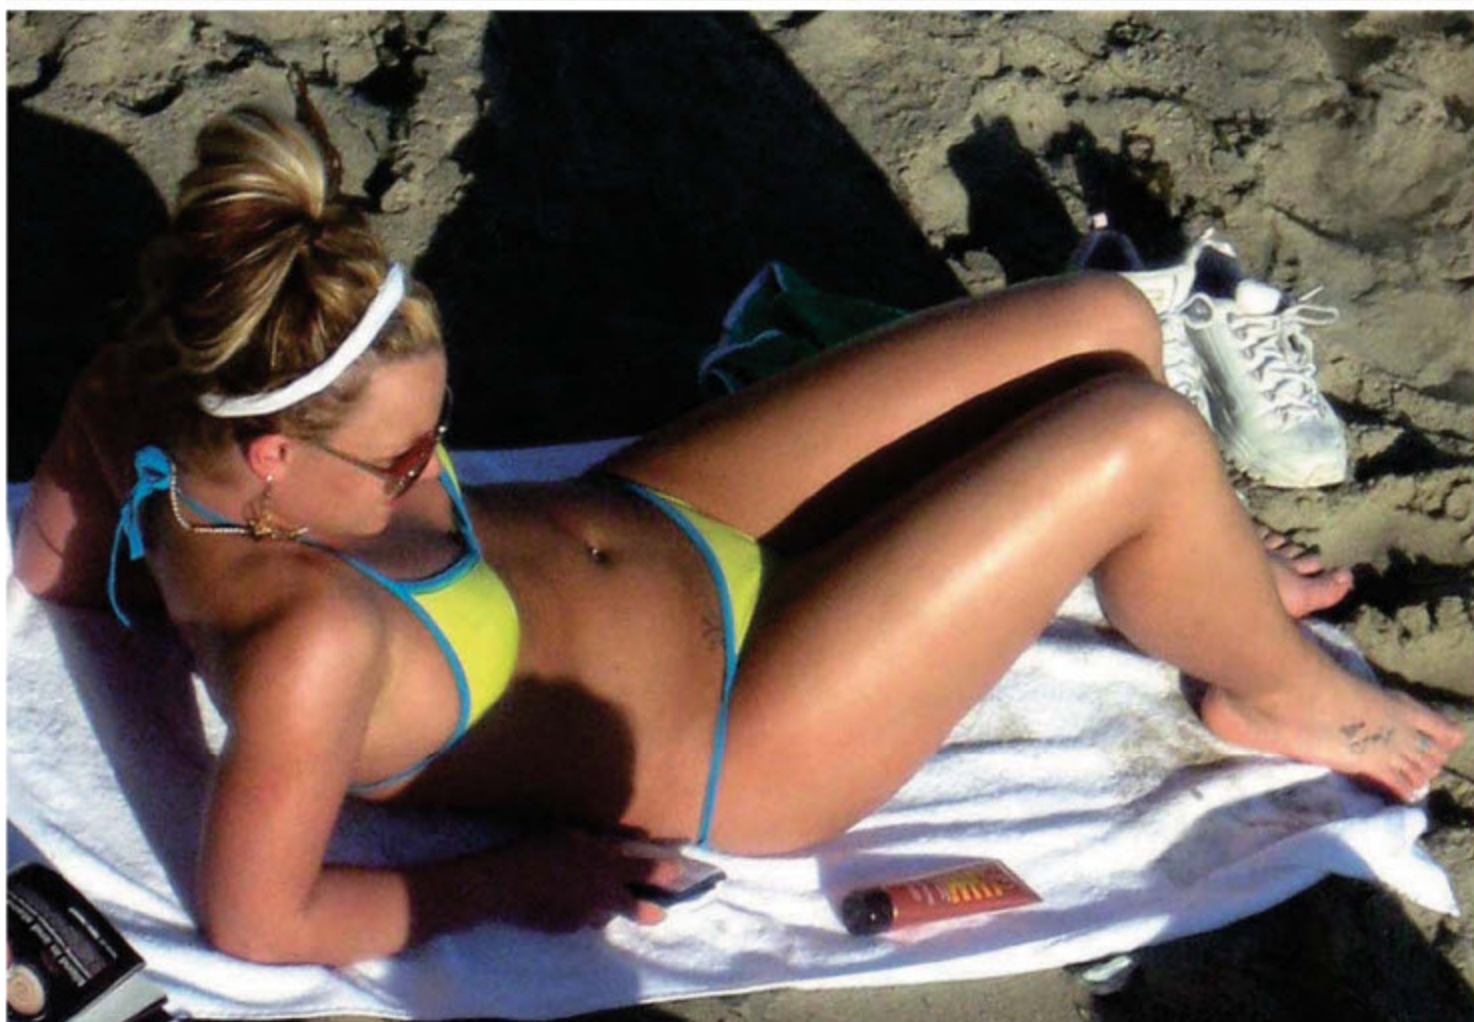

BUTT-ERFLY: Think of her as the *wettest* Molotov *Cock-tail* and you'll understand why we're seeing "Red" over Algina's "Pinko" parts! This luscious, native Lithuanian "*bumps blintzes*" on screen—and boxes and pole-dances in her spare time!

BRITNEY SPEARS

HER SAY: "I really want...to be, like, shocking and in people's faces and edgy. It's just basically, you know—there's a lot of scrutiny with everything I do. And it's basically saying that I'm not a little girl anymore and this is me. And just, you know—I have to do what I have to do for me...."

LOVE YOU, BRIT!: Shame on the rest of the media, raking her over the coals for the "Toxic" calamities of her troubled life, tracking her every up and down like they have stock in her flesh! We steadfastly adore her, know she'll get back on top, and are only interested in "ups-&-downs" that would involve her *ridin' us raw!*

BRIT'S BRINGIN' SEXY BACK: Brand-spank-it-new pix of Brit bronzing on a Malibu beach prove she's *sexy-licious*! She got back the tight-'n'-tan, *bangin'* bod that made her the hottest pop princess *ever* and—*damn*! Sweetie works that bikini!

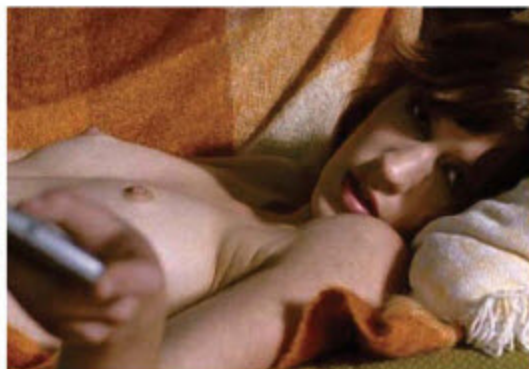

LAUREN LEE SMITH

FALL "HARD" FOR THIS REDHEAD? GO TO:

community.livejournal.com/lauren_lee/

CANADA'S FINEST SEX-PORT!: Rubbin' one out (this page, lower left) is the *least* of Lauren's *clit-based* sex-ploits in *Lie With Me* (2005, spread), a graphically sexual (NC-17), *hotly* erotic film. She plays Leila opposite *deep-dicker* Eric Balfour's David. This tale of a couple exploring—and *pushing*—the boundaries of their seemingly *boundless orgasm-appetites* dares to go *there*, like when lusty Leila writhes and decides: "I'll be bad just for him. I'll f**k just for him. When I can f**k without looking for his love, I'll stop running."

SMITH LIKES IT STIFF!: Waxing wanton about her *hours* of afternoon *dick-light* with her *meet-filthy* man, Lauren, as Leila, muses, "Like pleasure clings to my stomach, pleasure hurls right through him." This is how it is when you meet at an orgy!

SUMMER'S BLOCKBUSTER BABES!

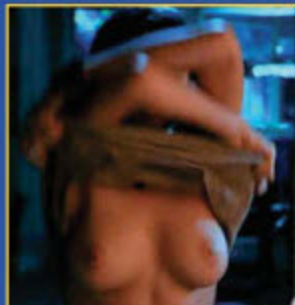

Tinseltown's best (and *breastiest*!) box-office babes bankroll their *booty* starring in the sun-season's biggest smashes...*hopefully* flaunting their *juicy asses*! Prepare your popcorn for a *new* "buttery topping!"

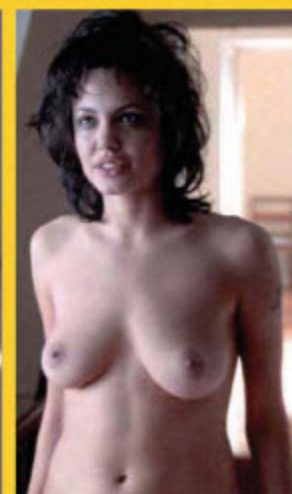

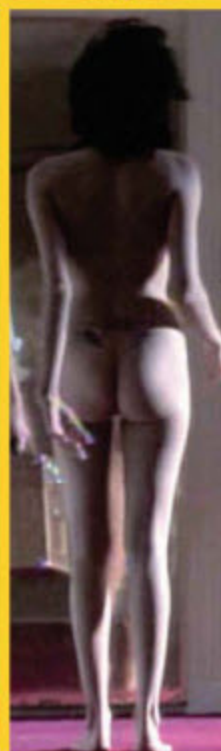

ANGELINA JOLIE

FROM HER HUGE LIPS: "You're young, you're drunk, you're in bed, you have knives; shit happens."

MOST WANTED!: Of late, she's assumed a persona that makes her seem like the second coming of Josephine Baker (with her "Rainbow Tribe" of adopteds), Audrey Hepburn (her humanitarian efforts) and even Mother Teresa, all rolled into one. But *dick-hard* fans of this *mercurial maneater* can't forget the wanton wildchild of *Foxfire* (1996, this page, right, & opposite, top) who played rebel-without-a-bra "Legs" Sadovsky. Catch Angie this summer in *Wanted* (below), as Fox, a super-badass, *very inked ass-assin*!

FROM MINX...TO MILF!: Her edgy turns in *Mojave Moon* (1996, above, left) & *Gia* (1998, above, right), make us reminisce about our first reveries of *reamin' Angle*. It's hard to believe that the low-slung Jolie jubbies are now *momma-milkbags*!

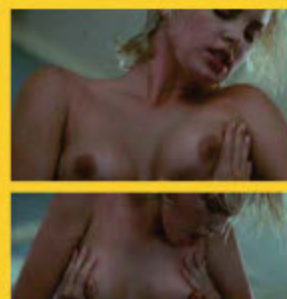

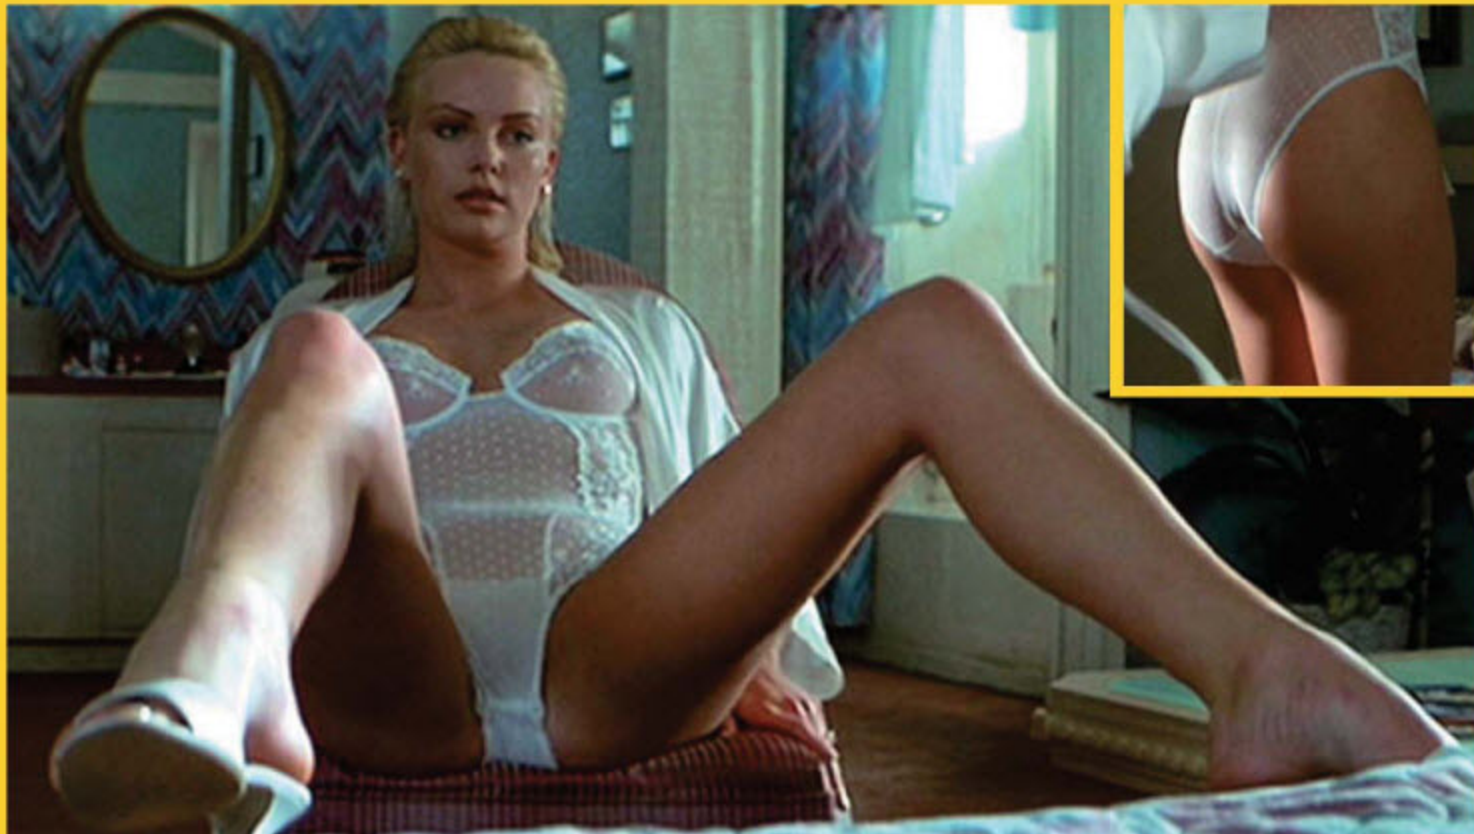

CHARLIZE THERON

FROM HER SOUTH AFRICAN SMOOCHER: "I think of myself as a highly sexual creature. I have to use that. I have no choice. I like it. I didn't grow up with a mother telling me what was under my clothes was bad or evil."

HANCOCK=HAND-TO-COCK!: This golden goddess is one of the most beautiful, talented and diverse actresses in cinematic history. She won the Academy Award for Best Actress for her swan-turned-ugly-duckling transformation in *Monster*—and canoodled with Keanu in *The Devil's Advocate* (1997, top right). She indulges in interracial antics with Will Smith this July in *Hancock* (below)!

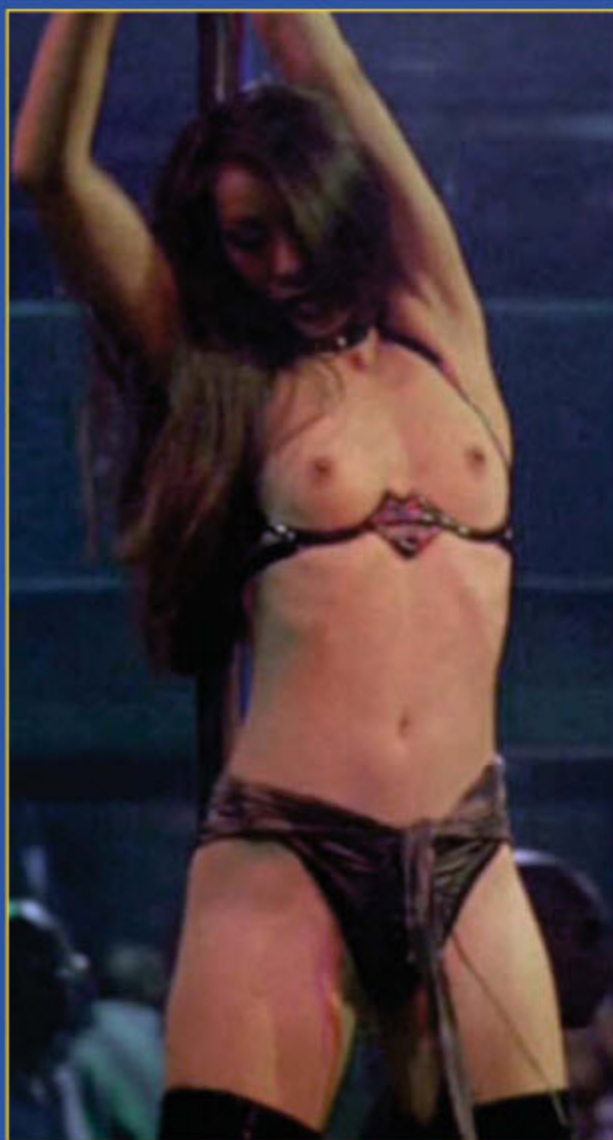

2 THIGHS & A VENUS MOUND: Darlin' Charlie's aroused by carousin', flaunting cherry-topped titties in *Head in the Clouds* (2004, opposite, bottom right). In *2 Days in the Valley* (1996, this page), she's a blonde bonbon, outta sight in white satin!

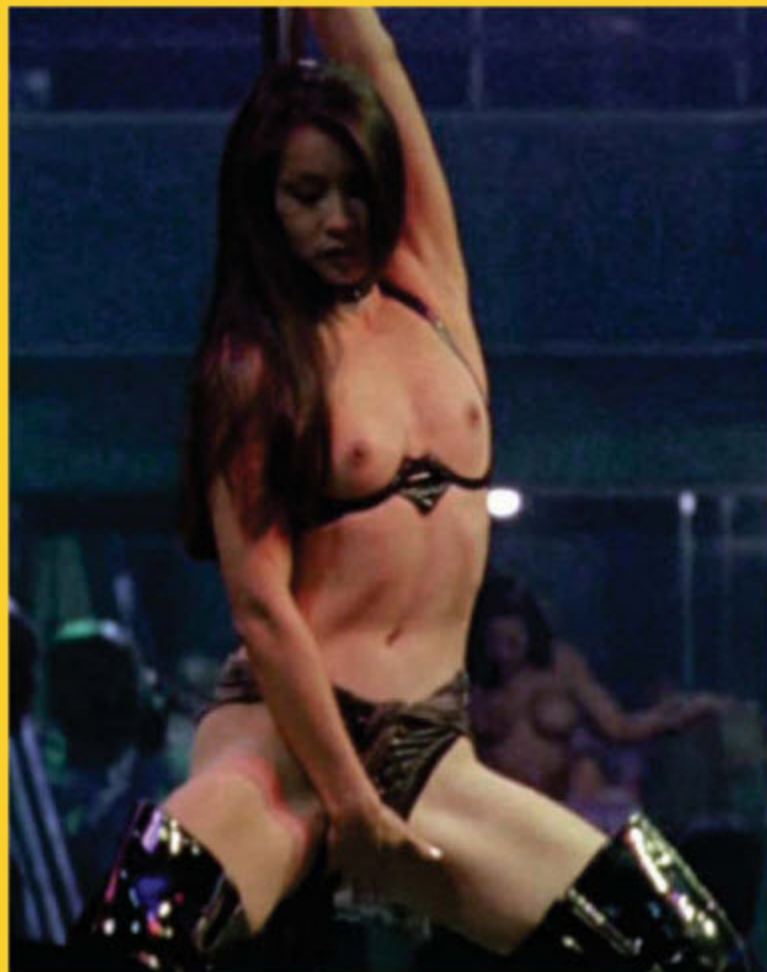

LUCY LIU

KALI-ESKRIMA-SILAT KITTEN!: Limber Lucy practices this ancient martial art of knife-and-stick fighting!

LICKY LIU!: She had the *puss-power* to in-sin-uate (in an interview for *Jane*) that she's bisexual...leaving legions of Liu fans to ponder the "Ancient Chinese Secret" positions she might get into when practicing the *oral art* of "Crouching Wonton Meets Hidden Sushi!" If *mosquito-bite tittied meow-mixers* put muscle in yer *man-meat*, invest in *City of Industry* (1997, this page & opposite, top), which features Liu's lewdest role to date. You'll be ready to "love her long time" in this month's cartoon cute-overload, *Kung Fu Panda*!

WHO NEEDS CHOPSTICKS WHEN YOU'VE GOT FINGERS? She voices an animated "Master Viper" in *Panda*—a drastic departure from her *Industry* eros and *Angels* antics! *Flypaper* (1997, above) features her as Dot...in Dane Cook's first film!

SELMA BLAIR

HELLTOY!: Her name may call to mind a Waffle House waitress, circa 1962, but pair her with lovable Satan's spawn Hellboy...and fanboy heaven exists! See her this July in *Hellboy II: The Golden Army* (below), reprising her "torchy" turn as Hellboy's fiery (puns intended) gal, Liz Sherman. Speaking of *enormously entertaining*, we *lust willy-silly* Selma in John Waters' *A Dirty Shame* (2004, right) as sex addict and *giganto-jugged* Ursula Udders (née Caprice Stickles), an unabashed sex addict stripper who goes *boob-wild* everytime someone plays Billy Lee Riley's "Red Hot." Her *mega-mamms* will make you "spray" tribute with a pool of *tool-drool*!

BARE BLAIR: As Ursula/Caprice, Selma tells her mom: "I'm a sex addict, I'm an exhibitionist, and I'm your daughter." You go, girl! *Feast of Love* (2007, top) finds her feasting on *frisky-fish*, and in *Storytelling* (2001, above), pink hair meets *black meat*!

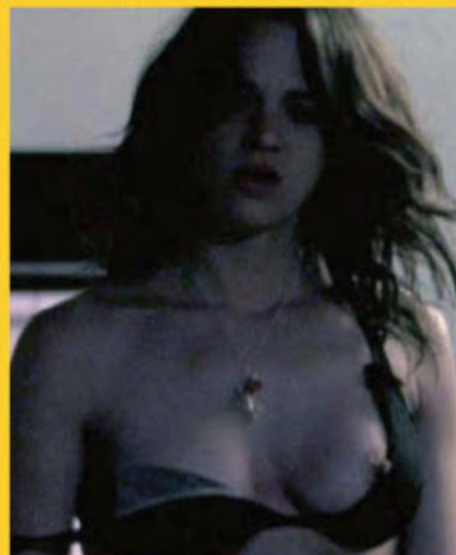

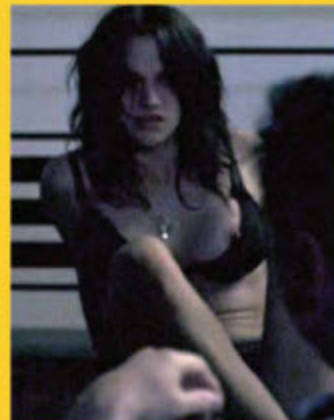

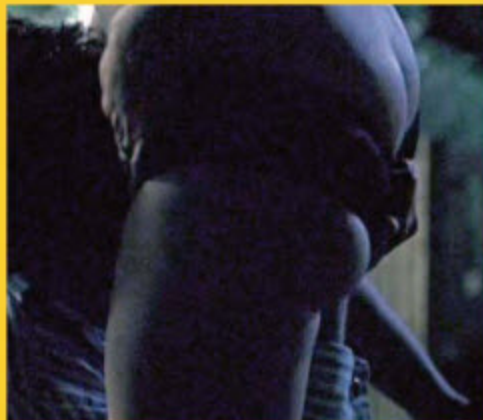

ASIA ARGENTO

FROM HER LATINATE LIPS: "...I always thought it was sick to choose looking at yourself on a big screen as your job. There has to be something crooked in your mind to want to be loved by everybody. It's like being a prostitute, to share that intimacy with all those people."

ASS-IA! Michael Madsen *AND* Asia. Does it *get* any edgier, crazier and more tilted toward *lunatic-fringe lustiness*? With a tagline that reads: "She's losing control again"—you know *Boarding Gate* (2008, spread) features our born-of-*giallo* juggy gem doin' what she does best: playin' a prostie, filth-f**kin' and dark-dabblin' in drugs!

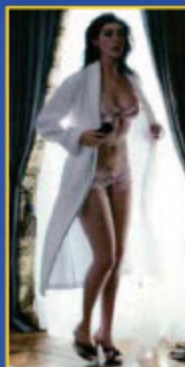

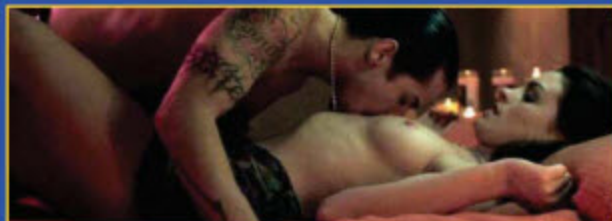

ALL ABOARD ASIA!: As ex-hooker Sandra, Asia meets her ex-pimp (Madsen, menacing as ever) in Paris. He wants to *dick up* where they left off: *raw-ride*, bondage-flavored *bangin'*. Alas, ever-mesmerizing Asia only has one thing cocked—her gun.

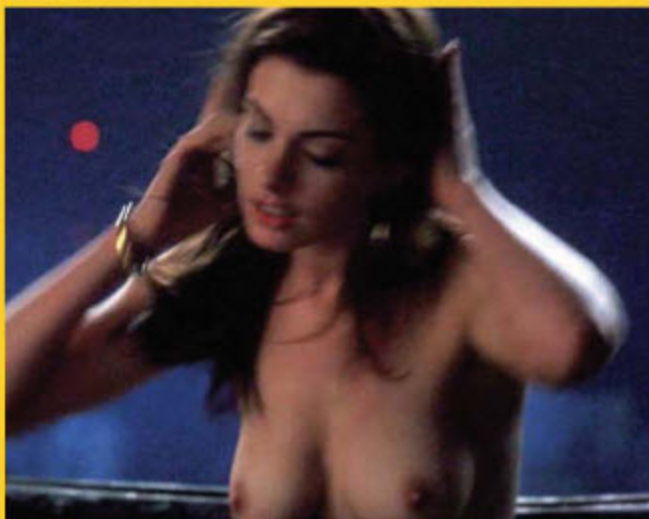

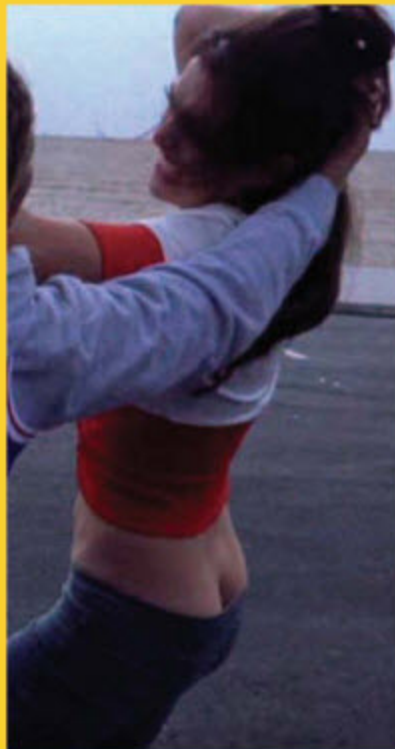

ANNE HATHAWAY

CANDIDLY ANNE: "I've intimidated men my entire life and it has nothing to do with fame."

99...69?: This princess makes our "swords" unsheathe to full *SEXcalibur* mode, leaving us hard and hankerin' for a perverted peek at her private diaries...not to mention her *dairy-danglers* & *derrière*! We appreciate how she "Gets Smart" as super-slinky Agent 99 in this summer's *Get Smart* retread (below), but we'd *rather* she "Get Naked" & go *under-the-covers* for some *ASS-ified* covert mission... in the *missionary position*! Yank-fully, Anne's *ass-ets* have already been revealed thanks to the Freedom of *SKIN-formation* Act!

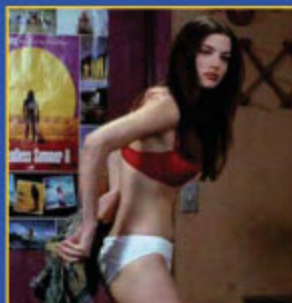

THE HATHAWAY WEARS NADA!: While she's choosy about her nude scenes, once Anne unveils her uninhibited *udder-ettes*, she definitely *HATHAWAY* to get her loyal dude fanbase rock-hard! Pump a fistful for her handfuls in *Havoc* (2005, all).

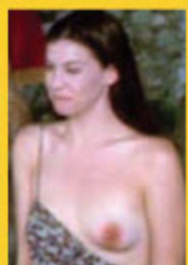

LIV TYLER

FROM HER STEVEN TYLER'S-DAUGHTER LIPS: "The age I'm at now, you go from being a young girl to suddenly, you blossom into a woman. You ripen, you know?"

GAMMA GLAMA GIRL!: Ever since she starred in the notorious video for Aerosmith's "Crazy," Tyler's been teasin' the bulgin' "Blind Man," givin' us the *sweetest ero-motions*! She makes ya *Get a Grip* on yer *Pump* with her covered coochie & *bitty-boobies* in *Empire Records* (1995, right), and as Betty Ross to Ed Norton's Bruce Banner in this month's *The Incredible Hulk* (below), she'll put some hefty, veiny *bulk* into your Incredible *Pink Hulk*!

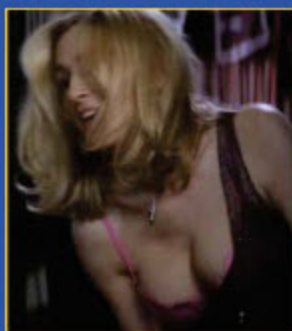

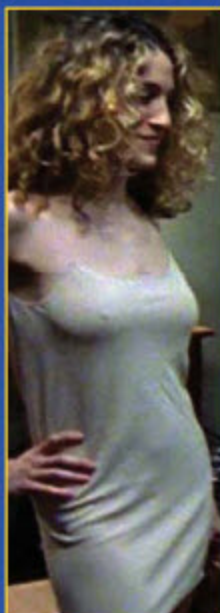

UNPEELING BEAUTY: Lickable Liv lived up to her luscious lineage by laying down her lace in *Stealing Beauty* (1996, this page, all), playing nymphette-gettin'-in-the-know Lucy Harmon. She *cums* of age the *Skin* way—with one titty hangin' out!

SARAH JESSICA PARKER

GIRL STILL JUST WANTS TO HAVE FUN: You probably grew up (and out, in your Jockeys!) watching her develop as an actress, from *Square Pegs* (maybe geeky girls get your gonads goin?) to *Girls Just Want to Have Fun* (in which she did the worst Eighties-style dancing with none other than Helen Hunt!). Of course—the years she spent starring in HBO's *Sex and the City* (1998-2004, all) as neurotic, well-laid-and-made yet sexually complicated, fancy-panties Carrie Bradshaw, made her a boner fide star. This summer's chick-flick-to-end-all-chick-flicks, *Sex and the City: The Movie* gives you more of very sex-savvy Sarah's cherry-nips and sex mane!

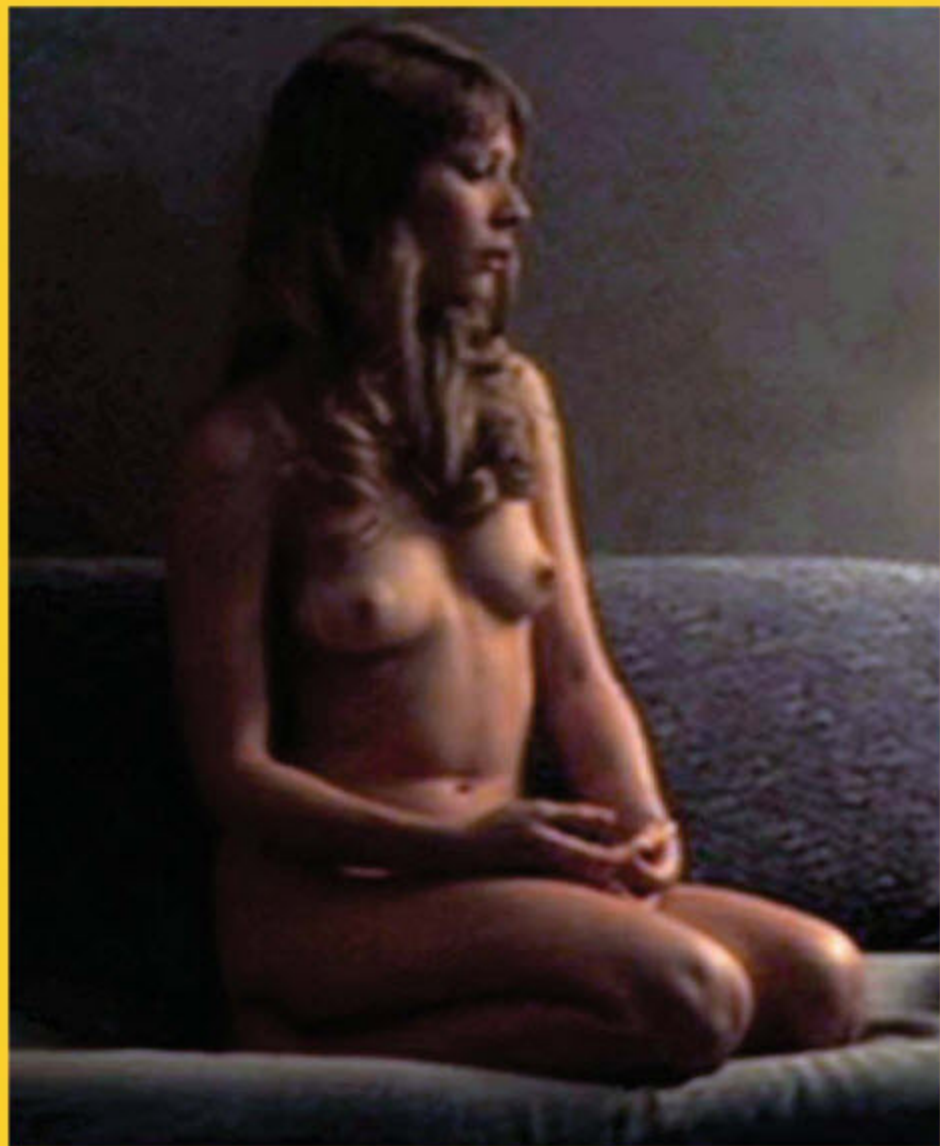

GWYNETH PALTROW

PERFECTLY "PEPPERY": "Beauty, to me, is about being comfortable in your own skin. That, or a kick-ass red lipstick."

SMARTASS SEX-POTTS!: Rivalled only by *The Dark Knight*, *Iron Man* (below) stars Robert Downey Jr. as Tony Stark/Iron Man & Paltrow as his pleasin' PA & paramour, Pepper Potts, and promises to be *the* summer blockbuster to c**k-block 'em all! This flick's *all* about the Iron Man—and that *block-rockin'* suit of invincibility—but *great-gams* Gwynnie holds her own as peppery Pepper, and even displays a flair for comedy that proves: Funny women are *hot*, and beside every "Iron Man" stands a kick-ass, brainy bombshell!

PEEKABOOB PALTROW: She offers, "Coffee, tea—or *frisky?*" as a "sexy stew," in *View from the Top* (2003, opposite, right), and as the suicidal poet Plath in *Sylvia* (2003, above), her *cup-lets* make us wanna put our *head* in her *love-oven*!

AMANDA PEET

S-E-X-FILES!: Sassy smarty-pants Peet jazzes up the mysterious mumbo jumbo in the upcoming second *X-Files* big-screener, *The X-Files: I Want to Believe*. In typical *X-Files* fashion, all lips are sealed and nobody knows anything about what this sci-fi lover's *chuck-the-man-muck* mindblower has in store for its diehard fanbase, but with much-beloved Mulder and Scully helming the extraterrestrial thrills-'n'-chills—plus pretty, *f**ky-plucky* Peet in tow—we trust in the flick's promising tagline: "Believe Again." Will Peet make a trip to the potty or show off her *small-wonders* like she did in *Igby Goes Down* (2002, this page)? If we tell you—we have to kill you.

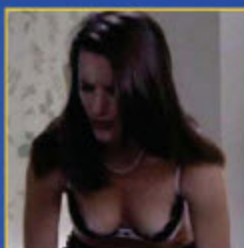

AMANDA HUGANDKISS!: We jizz for Amanda's particular brand of quirky quack in *The Whole Nine Yards* (2000, this page). She skin-stars opposite "The Willis" as a ditzzy hitwoman with a heart o' gold. You know how common those are—right?

KRISTIN DAVIS

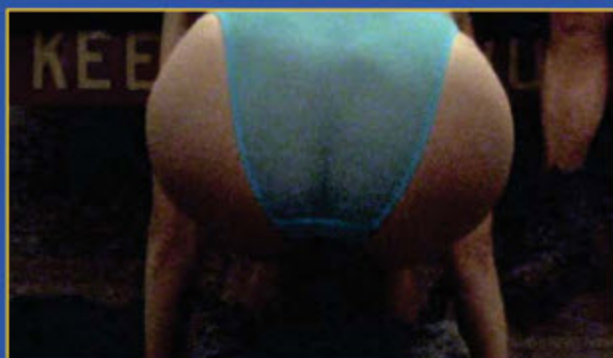

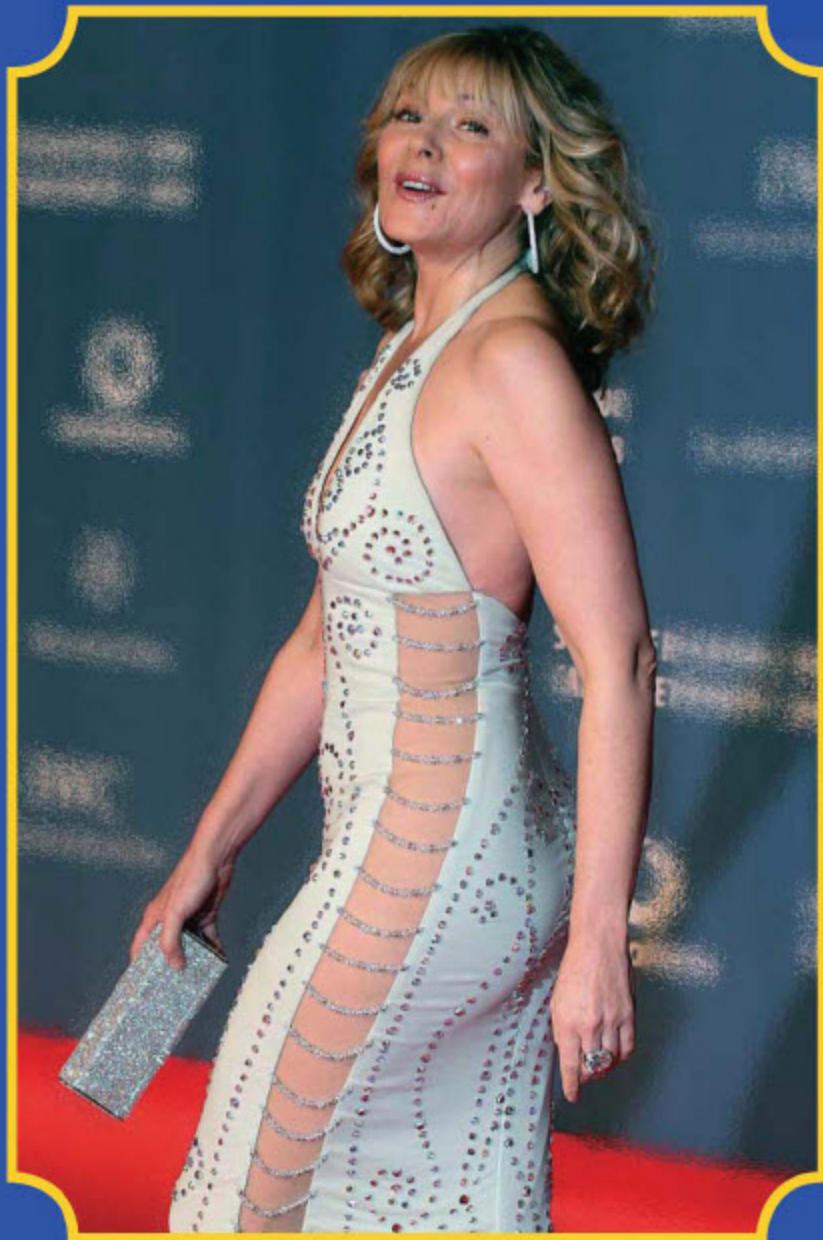

FROM HER LIPS: "At one point, they offered me this part to play a drug-dealing, gun-selling butch lady. I don't know how to describe her, but she had, like, a crew cut and stuff. I was, like, 'Is this a joke?' And they said, 'No; we think it would be great because everyone would be, like, 'Oh—look at what we've done to Charlotte.' I was, like, 'Well, I can't do that!' "

READY FOR MORE SEX!: Resign yourself to getting dragged to the multiplex for the summer's ultimate chick flick as *Sex and the City: The Movie* drives every chick on Earth into a shoes-'n'-sex mania. Good news? *Sex* girls have a lot of it. Kristin is the *hottest!*

CHARLOTTE...OR HARLOT?: Kristin's battled the bottle *and* a recent semi-scandal—quite a contrast to her preppy, obviously entitled good-girl act in *Sex* as Charlotte York Goldenblatt. You will probably get laid if you take your woman to see this.

KIM CATTRALL

FROM LIPS OF EXPERIENCE: "I prefer younger men. In some ways, they are much more open to a woman being stronger and independent than some of the men my age."

FROM MANNEQUIN TO...MANEATER!: As Samantha Jones, the oldest and most sexually confident (Okay. That's putting it mildly; she's a total c**k-fiend!) of the *Sex and the City* Park Avenue-via-Prince Street-styled, pedigreed pussies, Kim's never looked hotter, sexier, *hornier* or more *ball-able*! Not even in *Mannequin*! See this movie if *only* to watch her cougar-cooze dick-vouring young dudes by the *inch*! Ms. Jones *really* likes to bone!

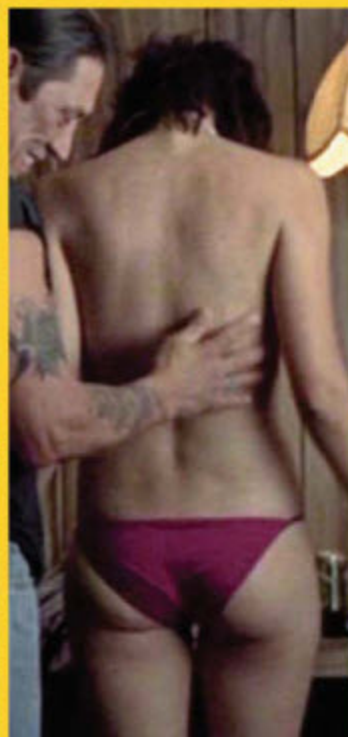

CAT-TRAIL TO COUGAR!: Kim probably first worked on your knob with her ingénue role in *Porky's*—remember? Above *Suspicion* (1995, above), has slim Kim in a flick about a paralyzed cop. Irony Twist: Christopher Reeve played the cop.

MAGGIE GYLLENHAAL

DICK-TRICK ASS-TORNEY: We're *still* trying to grasp the tragic enormity of Heath Ledger's untimely death (or at least this Editor In Chief is). Nonetheless, we can't even *begin* to convey how pumped we are for the July opening of the *massively* anticipated and mega-hyped second installment of "the Bale Batmans"—*The Dark Knight* (below). Indie lovely Maggie takes over where Katie Holmes (quite frankly) *sucked*, playing Batman's loved-each-other-since-they-were-kids interest, assistant D.A. Rachel Dawes. Mags also assisted—and *submitted!*—in *Secretary* (2002, right).

SEXILY SAGGY MAGGIE: Her daring, raw, barer-than-bare performances in *Secretary*, *Strip Search* (2004, opposite page, top right) and *SherryBaby* (2006, this page) make us admire this uncommon beauty for her carnality, courage and cream-jugs!

SEX SCANDALS

Sex scandals & politicians go together like soupstains & ties: Greedily dip your "spoon" into some "steamy broth" & you're bound to get *spattered*! Such "dirty laundry" makes for sordid news—& *skinful* movies!

BLAZE

Erolita Davidovich is a *rub-worthy rhapsody-in-red* portraying famed stripper Blaze Starr in *Blaze* (1989, spread), starring opposite movie icon Paul Newman, who plays Earl K. Long, former Governor of Louisiana. In this *flesh-filled* flick based on a very true story, Blaze begins a red-hot affair with the jaded-but-decent governor (Perhaps Spitzer took note?), who's a *suck-happy* sucker for the redheaded, *top-heavy* burlesque bombshell. Bawdy Blaze was famed for stripteases that featured not only a *live panther* who was *trained to strip her bare*, but also a couch that *ignited* as she sat on it and undressed! Sadly, today's *Bourbon Street booty* can't *cum-pare*.

“Would you still love *me* if I had little tits
& worked in a fish house?”

Busty, lusty Blaze was known as “The Hottest Blaze in Burlesque!” Lolita’s bouncy, brazen *perky*-formance makes us see exactly why a powerful man would go *knockers-nuts* for a hillbilly stripper’s wonderfully *mouthwatering melons*!

SCANDAL

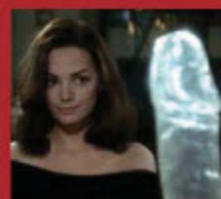

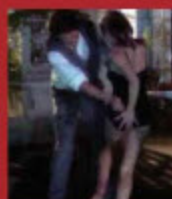

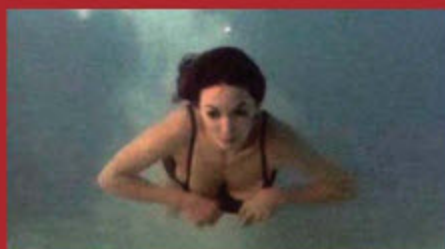

Joanne Whalley was cast to play Christine Keeler in *Scandal* (1989), not only because she's a busty brunette bombshell with that particular, xxx-quisite touch of English-strumpet sexual sophistication, but also because she's a dead ringer for the *real* Christine Keeler, a scrumptiously debauched, curvaceous London *foreskin-hunter* whose *vag* was *literally* the *sex-nexus* of "The Profumo Affair" of 1963. Long before Eliot Spitzer got "a slice of anchovy pie from down The Shore," the UK's then Secretary of State for War, John Profumo, was *pumpin'-by-the-pound* with Keeler. Problem? She was *also* slurpin' the *ball-borscht* of a Soviet attaché! *Red bed-scare!*

“I have nothing to hide.”

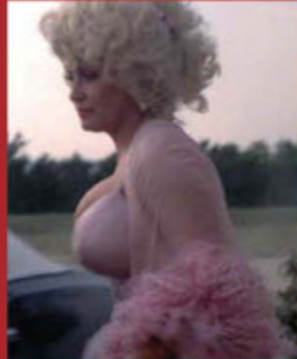

Bimboed-up beyond recognition in scads of Sixties-style makeup and a blond, mod-styled wig, Bridget Fonda *fleshes out* nicely as randy Mandy Rice-Davies, real-life party pal of Keeler. She had a pop hit, “You Got What It Takes”—and she did!

THE BEST LITTLE WHOREHOUSE IN TEXAS

Big-titty tease, honky tonk angel & country queen Dolly Parton is madam Miss Mona in *The Best Little Whorehouse in Texas* (1982), proving once again that *huge hooters* turn guys into instant *spoooge-shooters*! This tongue-in-cheek raunch riot was the most successful movie-musical of the '80s, pairing *pillow-puffed* Parton with Burt Reynolds, who plays the sheriff who colludes with her to prevent the Chicken Ranch, a down-home-style brothel, from being shut down by local prudes. Parton's plunging necklines & Anne Gaybis *tokin'* topless (opposite, top right) make us yearn to "mess with Texas"...and leave behind an old-timey puddle of *Ol' Slimy*!

“ I couldn't be a ballerina now. I'm too top-heavy. I have a hard enough time balancin' these things now without gettin' on my toes! ”

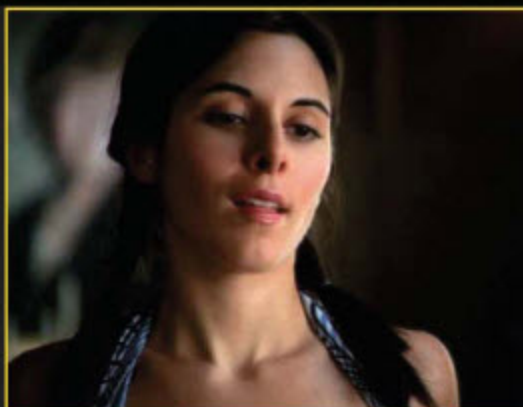

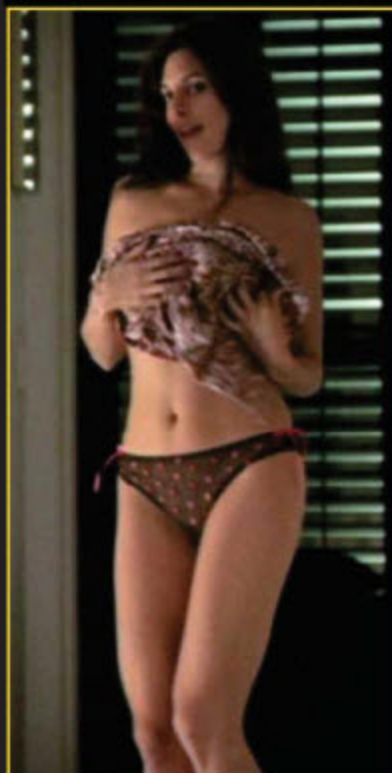

The Chicken Ranch actually existed and was a legendary Texas brothel where many a steer dipped his *long-horn*. Oddly, the house-of-a-1000-lays-for-pay used for filming of *Whorehouse* went on to be the Firefly residence in *House of 1000 Corpses*!

Call Me: THE RISE AND FALL OF *Heidi Fleiss*

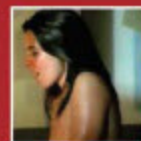

Supporting a pair of false teeth that somewhat detracted from her looks, yet helped her more closely resemble the infamous Heidi Fleiss, Jamie-Lynn Sigler took a racy departure from her claim to fame as Meadow Soprano to play Fleiss, so-called "The Hollywood Madam," who gave the notion of a "director of nighttime public relations" a whole, new meaning and, in the process, fulfilled the sexual pre-dick-lections of many a Tinseltown A-list—Charlie Sheen, most notoriously. *Call Me: The Rise and Fall of Heidi Fleiss* (2004, spread) is a deliciously decadent, smarmy schmeat of celebrity sleaze—and the smear campaign that inevitably follows any scandalous sex-play!

“Things always went better with coke”

Workin' the Hollywood celeb circuit, cavortin' & snortin' at all the best parties and in all the hottest clubs, Fleiss rode the fame pony *bareback* with her coterie of pretty *play-for-payers*. At the end, she got more than put away wet—she got *put away*!

SKINSIDE's MIDNIGHT MOVIE!

MIDNIGHT PLOWBOY

When a movie is written & directed by someone named Bethel Buckalew and filmed in the tawdry Tinseltown of the Swingin' Seventies—and stars heavily and heartily topless Nan Cee, Terri Johnson, Debbie Osborne, Cristy Anna and Linda McCrae—you know it's gonna be better than *Midnight Cowboy*. "I'm f**kin' here! I'm f**kin' here!"

John Tull is Junior, a horny hillbilly whose foray in "the big city" gets him "in" with a van of *travelin' hookers*!
